

-In the event that the agreed upon minimum guarantee is not reached, a “room rental fee” will be charged for the deficit.

-It is our policy to add 31.25% for taxes and gratuities and to present one check, with one method of payment for the pre set event tab. If individual tabs are started during the hours of the event, they will have a tax and gratuity of 26.25% added. Please speak with event coordinator for other options.

-You will be charged for the number of guests guaranteed, even if the number in attendance is lower. This amount will be the average bill per guest present, times the number of guaranteed guests absent.

-Should the number of guests in attendance be greater than 25% of the final guaranteed count, the pricing per person will increase by 25% for those guests in excess of the allowed variance.

-We require you to guarantee the number of guests no later than ten days in advance. In some situations an additional pre-payment of 50% of the final estimated bill will also be due at the same time.

Because we already substantially discount pricing for groups of this type;

- Any payment made via American Express will have an additional 3% up-charge added.
- Any other discounts or coupons that may be offered are not valid with this booking. Any payments made via credit card linked to a discount program will have the discounted amount re-billed upon notification by the credit card processor.
- Donated gift certificates may not be used.

-We reserve the right to substitute like items for the same price should extreme market conditions, menu changes or other events occur. If possible we will contact you to discuss any changes.

-Your guests’ safety is of our utmost concern. We reserve the right to refuse alcohol to anyone who we may believe to be a potential danger to themselves or others. Your cooperation in such matters is required.
